

B.C. SCALE CO. LTD.

About Us

At **B.C. Scale Co. Ltd.**, we **sell, service and repair** all types of scales, from laboratory balances, bench scales, floor scales and shipping scales to truck scales, railway track scales and everything in between. Our sales and service cover the entire province of British Columbia with an emphasis on the Lower Mainland including Richmond, Delta, Vancouver, North Vancouver, Burnaby, Coquitlam, Port Coquitlam, Pitt Meadows, Maple Ridge, Surrey, Langley, Abbotsford, Mission, Chilliwack and beyond.

We also provide regular scheduled maintenance visits and provide documentation and traceability for your ISO and other quality program requirements.

As a Measurement Canada Accredited company, **B.C. Scale Co. Ltd.** can also perform initial and subsequent government certification of all of your legal for trade scales.

We are B.C.'s most progressive scale company. Service is our number one focus. Looking after our customers and keeping your operation producing is our first priority.

We know that without you, our valuable customer, we would not exist (and we appreciate you very, very much).

B.C. Scale Co. Ltd.'s "family" has over 150 years of experience!

Over the years, **B.C. Scale Co. Ltd.** has built a very solid base of loyal customers who know how much we care about their operation. Though service and repairs are the main points on which we have built our solid foundation, we sell a whole array of products.

Our well-stocked showroom is always able to provide products quickly. If we do not stock the particular product you choose as a part of our regular inventory, our friendly, professional staff will order the products immediately to provide you with the fastest delivery possible.

B.C. Scale Co. Ltd. is located in the heart of Langley in beautiful British Columbia, Canada. Central to the Fraser Valley and the rest of the Lower Mainland, we provide products all over British Columbia and across Canada.

Please feel free to contact us at any time with any inquiries you may have. We will be pleased to assist you in any way possible.
